

Airlie

Total floor area 136.8m²

Living 103.3m²

Veranda 33.5m²

3 2

The Airlie is a refined three-bedroom home designed for relaxed, practical living. Its central kitchen, dining and living area opens directly onto a full-width covered verandah, creating a seamless connection between indoor comfort and outdoor lifestyle.

Thoughtful zoning separates the bedroom from the living areas, balancing privacy with connection, while the efficient footprint and clean layout make the home feel open, considered and easy to live in.

Standard features

- Covered verandah creating a true indoor–outdoor living experience.
- Open-plan kitchen, dining and living area positioned for light, flow and connection.
- Flexible bedroom layout suited to family living, guest accommodation or home office use.
- Durable construction approach suited to Australian climate conditions.
- Modular design allowing customisation of layout, finishes and external presentation.
