The Daintree is a well designed two-bedroom home that makes everyday living feel easy. The open kitchen, dining and living area opens straight onto the spacious verandah, creating a relaxed space to enjoy meals, fresh air and time outdoors.

The bedrooms are set back from the main living area for added privacy, while the practical layout keeps everything simple, comfortable and easy to maintain. The result is a home that feels welcoming, modern and thoughtfully put together.

Standard features

- Defined front verandah and entry creating a welcoming arrival experience.
- Bedrooms grouped into a quiet zone away from main living areas.
- Centralised laundry, bathroom and linen for practical everyday storage and use.
- Variety of external cladding finishes available for a balanced, contemporary street presence.
- Modular design allowing customisation of layout, finishes and external presentation.
