

Hayman

Total floor area 151.2m²

Living 124.8m²

Veranda 26.4m²

3 2

Clean-lined and confidently modern, the Hayman is designed for space and contemporary style.

The central living zone is generous and light-filled, flowing easily to the verandah for relaxed everyday living and entertaining. Bedrooms are positioned across the plan to create privacy, including a main bedroom with ensuite that feels like a true retreat.

With its strong façade, practical layout and modern proportions, the Hayman suits those looking for a home that feels considered, calm and effortlessly liveable.

Standard features

- Verandah extending the living space for relaxed outdoor use and entertaining.
- Generous central living zone designed as the social heart of the home.
- Bedrooms arranged across the layout to create privacy and separation between spaces.
- Main bedroom features a walk behind robe.
- Modular design allowing customisation of layout, finishes and external presentation.
