

Moreton

Total floor area 195.5m²

Living 137.9m²

Veranda 57.6m²

4 2

The Moreton is designed to make everyday family life feel simpler and more comfortable.

A clear separation between the living zone and bedrooms creates a calm, organised layout, while open-plan living connects seamlessly to generous verandahs that extend the home outdoors.

Practical touches like a walk-in pantry, ample storage and a central family bathroom ensure the home functions effortlessly, making the Moreton a confident choice for growing families.

Standard features

- Clear separation between living areas and bedrooms for quieter family routines.
- Generous storage including walk-in linen and built-in robes.
- Modular design allowing customisation of layout, finishes and external presentation.
