

# Price Guide September 2025

*Choosing your new home starts with  
understanding what's possible.*

# More than *modular*.

This guide outlines indicative price ranges for Oly Homes based on the number of bedrooms. Prices include delivery within 100km of our Sunshine Coast factory. Every site is unique, and costs such as transport and site preparation will vary.

All pricing shown covers Oly Homes standard inclusions, including council approvals, fixtures, fittings and onsite installation. Think of this guide as a starting point to help you decide which size of home best fits your lifestyle and budget.
